Menura Adithya

Hey, my name is Menura Adithya. I am a passonated, self-motivated, reliable, responsible and hard-working individual with strong team working skills and ability to adapt to challenging situations. I'm able to work well both in team environments as well as an individual. I'm also passionate about music, gaming, 3D modelling & animation. I'm always curious to learn more when it comes to new technologies and creative coding.
